

About Us

PRIME TECH INDUSTRIES are Ahmedabad (Gujarat) based leading manufacturer, exporter and supplier of a wide range of V3 To V12 & Open Well - Monoset submersible SS and MS welded pipes In All Kind Of Stainless Steel & Mild Steel Material Since 1999.

We take the utmost pleasure to introduce ourselves as a professionally managed company started by Young & Dynamic Entrepreneur. We are in business of manufacturing of Stainless Steel Pipe for submersible pump & motor.

We have acquired immense industry experience by actively providing its service to a large number of clients. The company have been promoting a healthy business environment by assimilating ourselves with some of the esteemed organizations and becoming their members. Our advanced manufacturing facilities, scientific enterprise management and first-class professional talents ensure excellent product quality. The company is human-oriented, pursuing the management policy of "self improvement, eminence and good discipline". This kind of all-new management mode enables Prime Tech Company to constantly increase competitive power and enterprise value.

Good quality builds good brand, and good brand creates first-class benefit. Prime Tech Stainless Steel's nation-wide marketing network is ever maturing and steadily growing. Besides, we have successfully pioneered world market, selling our products to Europe, South America, Southeast Asia and other regions, having a group of overseas clients on the basis of long-term cooperation and development.

Stainless Steel Pipes

The fine quality stainless steel pipes manufactured by the company have got an extensive demand in the market Which is because of their superior quality and reasonable pricing. These pipes are very strong and leakage free which adds to the performance of the products in a better way.

V3 Pump Pipe/Tube

Thickness : 0.8 To 1.5mm

Internal Dimension : 65 To 72mm

Length : 100 To 1500mm

V3 Motor Pipe/Tube

Thickness : 1.0 To 3.0mm

Internal Dimension : 65 To 72mm

Length : 100 To 1500mm

V4 Pump Pipe/Tube

Thickness : 0.8 To 2.0mm

Internal Dimension : 80 To 87.0mm

Length : 100 To 2500mm

V4 Motor Pipe/Tube

Thickness : 1.0 To 3.0mm

Internal Dimension : 90 To 93mm

Length : 100 To 1000mm

V4 Solar DC Motor

Thickness : 0.8 To 2.0mm

Internal Dimension : 80 To 87.0mm

Length : 100 To 2500mm

V4 Solar Motor Magnet Rotor Sleeve

Thickness : 0.2 To 1.0mm

Internal Dimension : 30 To 100mm

Length : 50 To 500mm

V5 Motor Pipe/Tube

Thickness : 0.8 To 3.0mm

Internal Dimension : 95 To 118mm

Length : 100 To 2000mm

V6 Motor Pipe/Tube

Thickness : 1.0 To 3.0mm

Internal Dimension : 130 To 145mm

Length : 100 To 1500mm

V8 Motor Pipe/Tube

Thickness : 0.8 To 4.0mm

Internal Dimension : 170 To 190mm

Length : 100 To 1200mm

V9 Motor Pipe/Tube

Thickness : 2.0 To 5.0mm

Internal Dimension : 185 To 200mm

Length : 100 To 1200mm

V10 Motor Pipe/Tube

Thickness : 2.0 To 5.0mm

Internal Dimension : 200 To 230mm

Length : 100 To 1200mm

Open Well SS & MS Pipe

Thickness : 2.0 To 5.0mm

Internal Dimension : 105 To 165mm

Length : 100 To 500mm

All Kind Of MS Pipe

Thickness : 1.0 To 5.0mm

Internal Dimension : 80 To 250mm

Length : 100 To 1500mm

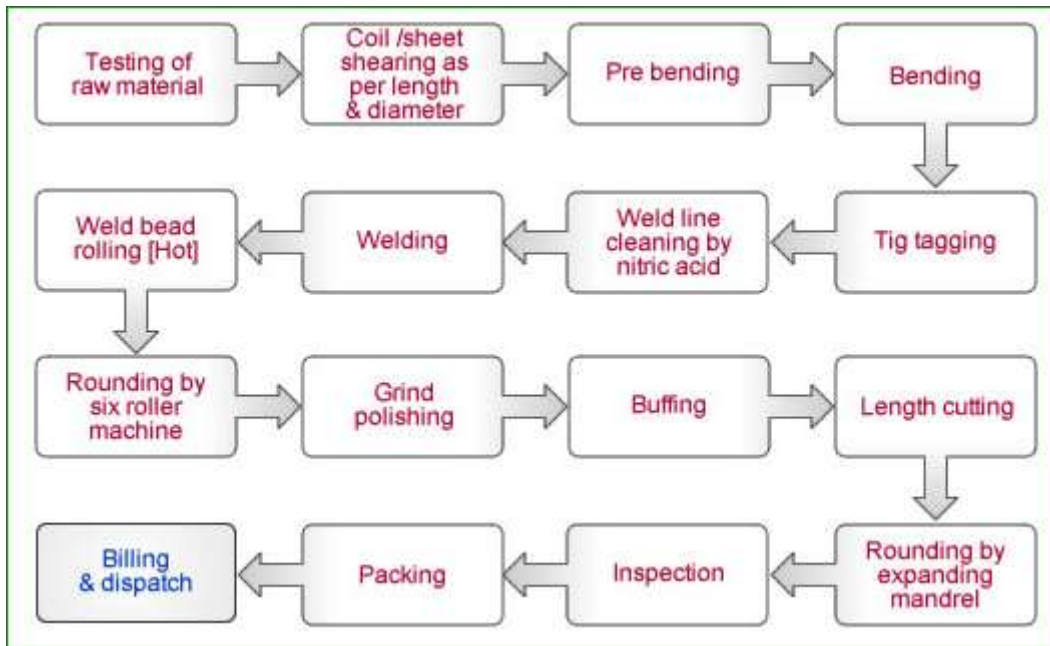

Stainless Steel length Pipe

Thickness : 1.0 To 3.5mm

Internal Dimension : 68 To 100mm

Length : 1 Mtr. To 10 Mtr.

Process Flow Chart

1. Testing of raw material
2. Coil /sheet shearing as per length & diameter
3. Bending
4. Tig tagging
5. Weld line cleaning by nitric acid
6. Welding
7. Weld bead rolling [Hot]
8. Rounding by six roller machine
9. Grind polishing
10. Buffing
11. Length cutting
12. Rounding Process
 - Rolling
 - Burnishing
 - Expandable With Mandrill
- 13 Inspection
- 14 Packing
- 15 Billing & Dispatch

***OUR ESTEEMED CLIENTS**

We are regular suppliers to the Submersible Pump/motor manufacturer In India Some Customers are Such as:

- C R I PUMPS , COIMBATORE.
- LA- GAJJAR PUMPS PVT LTD.
- UNNATI PUMPS PVT LTD.
- UNNATI ENTERPRISE LTD.
- WATERMAN PUMPS PVT LTD.
- ARROMA PUMPS PVT LTD., PALANPUR
- LA-GAJJAR MACHINERIES PVT LTD.(VARUNA PUMPS)
- ROTOMOTIVE MOTORS & CONTROL PVT LTD.
- MAHENDRA PUMPS PVT LTD. , COIMBATORE
- DECCAN PUMPS PVT LTD. COIMBATORE
- S U PUMPS PVT LTD . AMBALA
- HINDUSTAN PUMPS PVT LTD. AMBALA

We have 40 customers across the India.
